

Withdrawal Policy

Withdrawal from the course after the official day of record and prior to “W” Day, (see current catalog for this date) will result in a final grade of “W” on your transcript. Instructor approval is necessary if you want to withdraw after official day. No credit will be awarded for a course earning a “W.” If you stop attending class, you must withdraw at the registration office prior to “W” day. If you stop attending class and do not officially withdraw, you will receive an “F” for the course.

Six Drop Rule

Students who enrolled in Texas public institutions of higher education as first-time college students during the Fall 2007 term or later are subject to section 51.907 of the Texas Education Code, which states that an institution of higher education may not permit a student to drop (withdraw with a grade of “W”) from more than six courses, including courses that a transfer student has previously dropped at other Texas public institutions of higher education that have already been counted against their six drop limit. Each student should fully understand this drop limit before you drop any course. Please see a Counselor or Advisor in our Student Services area for additional information and assistance. **This policy does not affect developmental or ESOL students.**

Lone Star College–CyFair is committed to your success

Early Intervention Program and Services

Your success is our primary concern! If you are experiencing challenges achieving your academic goals, please contact your instructor or an advisor. We can provide assistance with academic needs, ADA accommodations, classroom difficulties, financial concerns, and other issues. cfintervention@lonestar.edu for more information.

Tutoring

Lone Star College-CyFair is committed to student success. To facilitate this, free tutoring for most subjects is offered on the 2nd floor of the Learning Commons building. Please refer to <http://www.lonestar.edu/tutoring.htm> for more information regarding our tutoring services. Tutoring in MATH, ENGL, BIOL, and ESOL is also available at the Fairbanks Center.

Teaching & Learning Center Open Lab (TECH 104 & CASA 222)

The Teaching & Learning Center Open Lab is a quiet work and study area available to all students. Students access the lab with their LSCS ID card. The TLC Open Lab is available during extended hours during all semesters. Basic software assistance, access to Mac and PC computers loaded with all courseware, printing, copying, and scanning are all available in TECH 104. For more information, please contact 281.290.3934 or cftlabs@lonestar.edu.

Counseling Services

Counseling services are available to students who are experiencing difficulty with academic issues, selection of college major, career planning, disability accommodations, or personal issues. Students may contact Counseling, Career, and Disability Services at 281.290.3260, cyfair.counseling@lonestar.edu, or CASA 109.

Students may contact counseling services at the Fairbanks Center at 832.782.5110, Fairbanks.counselor@lonestar.edu, or FBC120.

The Assistive Technology Lab

The Assistive Technology Lab is available for students who benefit from its various technologies to convert text to speech, magnify items, convert text to Braille, etc. To contact the Assistive Technology Lab directly, please call 281.290.3207 or e-mail the lab at cassistivetechlab@lonestar.edu. The AT Lab is located on the 1st floor of the CASA building. Students may contact the IT dept at the Fairbanks Center at 832.782.5072 or FBC 210 for assistance.

Library

The Lone Star College-CyFair Library is located in the Learning Commons building and contains information resources for both college students and community members. Librarians are available to assist with research. The Library contains over 125,000 books, online information databases, 185 computers, free wireless internet, and many more information/research related amenities to ensure student success.

For Library hours and contact information, please visit <http://www.lonestar.edu/library> or call 281.290.3214.

Lone Star College–CyFair Campus and System Policies

Academic Integrity

Lone Star College-CyFair is committed to a high standard of academic integrity in the academic community. In becoming a part of the academic community, students are responsible for honesty and independent effort. Failure to uphold these standards includes, but is not limited to, the following: plagiarizing written work or projects, cheating on exams or assignments, collusion on an exam or project, and misrepresentation of credentials or prerequisites when registering for a course. Cheating includes looking at or copying from another student's exam, orally communicating or receiving answers during an exam, having another person take an exam or complete a project or assignment, using unauthorized notes, texts, or other materials for an exam, and obtaining or distributing an unauthorized copy of an exam or any part of an exam. Plagiarism means passing off as his/her own the ideas or writings of another (that is, without giving proper credit by documenting sources). Plagiarism includes submitting a paper, report, or project that someone else has prepared, in whole or in part. Collusion is inappropriately collaborating on assignments designed to be completed independently. These definitions are not exhaustive. When there is clear evidence of cheating, plagiarism, collusion, or misrepresentation, disciplinary action may include but is not limited to requiring you to retake or resubmit an exam or assignment, assigning a grade of zero or "F" for an exam or assignment; or assigning a grade of "F" for the course. Additional sanctions including being withdrawn from the course, program or expelled from school may be imposed on a students who violate the standards of academic integrity.

Student Behavior Expectations

Students are expected to conduct themselves appropriately while on College property or in an online environment. Students may receive disciplinary action up to and including suspension, if they violate System or College rules, disrupt classes, or interfere with the opportunity of others to obtain an education. Students who pose a threat to the safety of others will be subject to immediate withdrawal from the classroom, campus environment, and/or online environment, as well as face subsequent criminal charges, as appropriate. Please refer to the Student Code of Conduct located online at <http://www.lonestar.edu/3579.htm> for additional information.

Americans with Disabilities Act Statement

Lone Star College-CyFair is dedicated to providing the least restrictive environment for all students. We promote equity in academic access through the implementation of reasonable accommodations as required by the Vocational Rehabilitation Act of 1973, Title V, Section 504 and the Americans with Disabilities Act of 1990 (ADA) which will enable students with disabilities to participate in and benefit from all post-secondary educational activities.

A student requesting accommodations for a disability is required to provide documentation of the disability to the College's designated office for disability services. The documentation is required for the following three purposes:

- a. to establish that someone is a person with a disability and, thus, is a member of the protected class;
- b. to establish the need for accommodations in order to have equal access;
- c. and to be prescriptive in assigning reasonable accommodations.

In order for a student with a disability to receive accommodations, that student is required to register for services through the College's designated office for disability services. If possible, the student requesting services should make an initial contact with the College's designated office the semester prior to enrollment – at least 4 weeks prior to the first class. Disability Services is located on the LSC CyFair Barker Cypress campus in the LRNC building. You may contact Disability Services at the following number: 281.290.3215. Additional information may be accessed online at the following URL address: <http://www.lonestar.edu/disability-services.htm>

Campus Safety and Security

Lone Star College System is committed to maintaining the safety of the students, faculty, staff, and guests while visiting one of our campuses. See <http://www.lonestar.edu/safety-nh.htm> for details. Register at <http://www.lonestar.edu/12803.htm> to receive emergency notifications. In the event of an emergency, contact the police at 5911.

Computer Virus Protection

Computer viruses are, unfortunately, a fact of life. Using removable devices on more than one computer creates the possibility of infecting computers and diskettes with a computer virus. This exposes the computers of the college, your personal computer, and any others you may be using to potentially damaging viruses. The college has aggressive anti-virus procedures in place to protect its computers, but cannot guarantee that a virus might not

temporarily infect one of its machines. It is your responsibility to protect all computers under your control and use and ensure that each diskette you use, whenever or wherever you use it, has been scanned with anti-virus software. Since new viruses arise continually, your anti-virus software must be kept current. Moreover, since no anti-virus software will find every virus, keeping backup copies is extremely important.

Equal Opportunity Statement

It is the policy of the Lone Star College System to provide equal employment, admission and educational opportunities without regard to race, color, creed, national origin, gender, age, veteran's status, sexual orientation, or disability.

Lone Star Colleges strive to provide an excellent learning environment free from harassment or intimidation directed at any person's race, color, creed, national origin, gender, age, veteran's status, sexual orientation, or disability. Any form of harassment will not be tolerated.

FERPA

The academic, financial, and non-directory information on your student account is confidential and protected by the Family Educational Rights & Privacy Act (FERPA). We cannot release certain information to another person without your written authorization. The Authorization to Release Student Information Form can be found at http://www.lonestar.edu/departments/admissions/ARC-011_FERPA_Privacy_Request.pdf.

Guaranteed Graduate Policy

Under certain circumstances, Lone Star College System will provide graduates of its Associate of Arts, Associate of Science, Associate of Applied Science, or Certificate programs additional education, and training tuition free in order to achieve appropriate mastery of specified competencies. For specific guidelines and information, please refer to the LSCS catalog <http://www.lonestar.edu/departments/accounting/10Graduate.32811.pdf>.

Internet and E-mail

The System provides computing and network resources to students. You are encouraged to use the computers, software packages, and electronic mail (e-mail) for educational or System-related activities and to facilitate the efficient exchange of useful information. However, the equipment, software, and network capacities provided through the district computer services are and remain the property of the System. Use of the equipment and networks is to comport with the policies and procedures of the System and access may be denied to any student who fails to comply with the System's policies and procedures regarding its use.

Access to the System's e-mail and similar electronic communications systems are a privilege and certain responsibilities accompany that privilege. All users are expected to demonstrate the same level of ethical and professional manner, as is required in face-to-face or written communications. Threatening, anonymous, or forged messages will be treated as a violation of this policy.

Software Piracy

Law strictly prohibits unauthorized copying of software purchased by Lone Star College-CyFair for use in laboratories. Lone Star College-CyFair administration will take appropriate disciplinary action against anyone violating copyright laws.

Evaluation of Instruction

Lone Star College-CyFair is committed to student success. As part of its' institutional effectiveness efforts, our instructors are assessed in several ways. For the continuous improvement of our instruction, all students are required to provide input for each course they take each semester using the Course Evaluations Questionnaire, which can be accessed online for each course. This occurs approximately half way through your course and your instructor will provide you more information on this process. Once you evaluate your course, print and turn in the receipt of completion to your instructor. The college deans review these evaluations each semester. The deans and/or department chairs may visit each instructor's class at some time during the semester to observe the instructional environment being provided and complete an assessment of the instructor.

Final Examinations

A final evaluation activity will occur during the published final evaluation period. The appropriate dean, director, or department chair must approve any variation to this schedule.
